

T2 Tea

Darjeeling

Often referred to as the 'champagne of teas,' Darjeeling is grown in small crops to produce a limited quantity of premium product. A dry, khaki leaf with white tips produces a light, gorgeously golden infusion.

Sweet, floral and fruity aromas precede soft and light muscatels in the mouth with a delicate finish.

Darjeeling is the perfect partner to a slice of something nice in the afternoon.

Assam

A dark, dry twisted leaf with golden tips produce a deep burgundy infusion with robust flavours.

This is a full-bodied tea and its intense flavour can convert even die-hard coffee drinkers.

Versatile and refreshing, this strong tea pairs well with a dark and delicious chocolaty dessert.

Just Chamomile

One of the all-time classic herbal tisanes. Carefully selected for their flavour and aroma, high-grade plump Egyptian chamomile blossoms provide an intensely sweet, honey-like aroma and a refined and sublime flavour.

This is a great tea for calming the mind and body for a relaxing afternoon.

Peppermint

A bright and golden-green infusion with a powerful aroma and sensationally minty, sweet, smooth taste.

Clean, fresh, uplifting and vibrant. Perfect anytime of day for an invigorating lift.

Sencha

A classic green tea to be enjoyed daily. These beautiful 100% certified organic green leaves produce a delicate aroma and a sweet, smooth, grassy flavour.

French Earl Grey

Earl Grey gets a French twist which is oh-so-fruity. Blended using black tea, Hibiscus flower, sunflower blossoms, rose petals and mallow flowers creating an inspiring, bold and refined infusion.

Great in the afternoon to accompany a little break with a sweet treat.

T2 Tea

Chai Latte

Chai provides a calming boost on even the most wild and woolly day. Ingredients include black tea base with cloves, star anise, cardamom, cinnamon, ginger and vanilla, which create a unique and assertively spicy mix.

English Breakfast

The classic. A traditional blend of Sri Lankan broken-leaf teas. Stimulating and aromatic, the full body and tannins create a bright and brisk tea, stimulating the palate and mouth with a bitey and astringent finish.

Earl Grey

A revered favourite, Earl Grey is a large leaf, full-bodied Sri-Lankan blend of Ceylon orange pekoe and generous amounts of bergamot. It yields a slightly smokey finish with medium tannin.

Housemade Signature Tea

Ginger Tea

Our signature blend is hand mixed from select ingredients that harmoniously blend the spice of ginger and the subtleties of smoother leaves to create a refreshing and uplifting drink. Traditionally ginger is known for its medicinal properties and we've maintained these whilst adding a more full, well-rounded flavour.
